Expected Date of Entry

We welcome your application for residency at Givens Highland Farms. Prior to submitting your application, be sure that you understand the terms, conditions, and rate structure that apply to the level of residency in which you are interested.

In order to process your application for an independent-living accommodation, we require an application fee of \$1,000 (make check out to: Givens Highland Farms, LLC), and you will need to complete an affordability assessment to determine if Givens Highland Farms is a viable choice.

If we do not accept your application, you will receive a total refund of your application fee. Otherwise, the application fee is 50% refundable. Your \$1,000 application fee will apply to your Entrance Fee upon completion of a Residence and Services Agreement.
